Product Information

trucard 0 is a premium quality uncoated woodfree solid bleached sulphate (SBS) board.

trucard 0 has outstanding stiffness and bulk.

trucard 0 gives the same outstanding physical, printing and converting performance of existing trucard 1 and trucard 2 coated grades.

trucard 0 has been engineered in response to the growing trend for more tactile surfaces, yet with no compromise in printing performance and converting characteristics.

trucard 0 matt has a natural uncoated surface in an exceptionally bright white shade.

trucard 0 felt has a subtle textured effect offering a pleasing tactile finish, also in an exceptionally bright white shade.

trucard 0 felt extra is designed for the most demanding print requirements and has a special light coating on both sides to give the optimum balance of looking and feeling like an uncoated but delivering the ink lift of a coated sheet.

trucard 0 conforms to ISO 9706 requirements for permanence and as such is suitable for archival use or applications requiring "acid free".

trucard 0 has been tested for compliance with German BfRXXXVI recommendations and is certified as safe for use in direct contact with dry and non fatty food stuffs.

trucard 0 complies with packaging (essential requirements) regulation (amendment) 2006 S11492; for heavy metal content.

trucard 0 complies with BS EN71-3 1995 which relates to safety of products used in the manufacture or packaging of toys.

trucard 0 is fully recyclable and is made from 100% elemental chlorine free (ECF) pulps, sourced from sustainable managed forests. Tullis Russell is registered under the BS EN ISO 9001-2000 quality assurance scheme and the BS EN ISO 14001 environmental standard.

trucard 0 contains woodpulp from well managed forests certified in accordance with the rules of the Forest Stewardship Council (FSC).

trucard 0 is also available in a FSC recycled version.

Applications

trucard 0 is designed for the following applications:

Graphical Print

Greeting cards, brochures, directory, paperback book and report covers, postcards, tags and folders.

Packaging

CD inserts, video cassette covers, cosmetics, perfume, pharmaceutical, chocolates and premium food and non-food products.

Printing and Conversion

trucard 0 is suitable for offset litho, letterpress and screen print processes.

trucard 0 is recommended for applications involving embossing, film and foil lamination, varnishing (felt extra only), scoring, die cutting and folding.

The full trucard SBS board range consists of:

trucard 1 matt	a one side matt coated board
trucard 2 matt	a two side matt coated board
trucard 1 gloss	a one side gloss coated board
trucard 2 gloss	a two side gloss coated board
trucard 0 matt	an uncoated board with a natural finish
trucard 0 felt	an uncoated board with a subtle textured finish
trucard 0 felt extra	a lightly coated board with a subtle textured finish
trucard ice	a one side ultra glossy coated board
trucard emboss	all versions of trucard are available in a variety of embossed finishes
