

Specialisms from **tru**cal

Decafix is one of a number of specialist **tru**cal products which have been more finely tuned for particular applications. Our specialist products are part of the wider **tru**cal range, which has been developed to align perfectly to your needs.

About the **tru**cal range

In developing the market leading **tru**cal range we've listened to what our customers want and have used our extensive knowledge and expertise, gained through years of experience in decal paper manufacturing, to deliver it.

By doing this and investing extensively in process control and quality assurance procedures we've created you a choice of decal paper products covering a wide range of applications (ceramic or cold) from which you can achieve the best possible results.

A **tru** choice in decal papers – perfectly aligned to your needs.

We are constantly looking to improve and enhance the **tru**cal range, and always welcome customer comment on how we can improve our product offering.

technical

technical is a unique service from the makers of **tru**cal. In specific circumstances, and depending on the volume of paper required, our highly experienced technicians are able to work with you to produce bespoke products which are tailored to suit your precise needs.
